

Website Workshop

May 19, 2012

Noon to 2:00

@

**Boulevard United Methodist Church
Parish House**

319 N. Boulevard, Richmond, VA 23220

Learn to be a web servant

**Do you know how to update a website? Do you want to learn?
Nothing complicated about this. No HTML learning curve.
Our website already works so all we have to do is update it
occasionally.**

**Skills learned through service work on this
website could lead to outside employment.**

**Some experience with a computer is required
and you will need access
to a computer on a regular basis.**

**Even if you're a little bit interested show up and see
how easy it can be.**

**If you have any questions please contact me at
webservant@metrorichna.org
or 804-677-8064**
